About Us

The Belrose Care Homes Focus

Our company is based on the belief that our customers' needs are of the utmost importance. Our entire team is committed to meeting those needs. As a result, a high percentage of our businesses are from word of mouth and referrals by agencies and repeat customers.

We welcome the opportunity to earn your trust and deliver you the best service in the industry.

About The Company

We believe that in creating **Belrose Care Homes** we would be rendering a very special and important services to the families whose elderly relatives need to be taken care of in our assisted living facility. We are giving them an excellent choice of more personal care in a home like atmosphere and where our policy is to have at least two (2) 24 hours staff at all times for 6 residents.

Our Facilities

We are located in an excellent neighborhood and each one is situated in a private and secure environment where our residents can go outside and still feel secure. We have a spacious backyard where trees, shrubberries and flowers have been planted and concrete walkways and ramps built to create an atmosphere of peace, solitude and tranquility for our residents.
